

This 'n That

Kim Lewis Shapiro, son of Mr. & Mrs. Walter Shapiro and grandson of Mrs. Annie Shapiro, recently received his PhD in psychology from the University of Nova Scotia. His fiancée, Jane Raymond, who resides in Nova Scotia, Canada, also received her doctorate in psychology from the University of Nova Scotia. After their marriage on Labor Day, they will continue "post doctoral" work in psychology at the University of Pennsylvania.

Muriel Levitt and Debbie Hirsch have opened a kosher catering service "Eppes Essen".

A former feature writer for *The Charlotte Jewish News*, Estelle Hoffman is now associate editor of *The Jewish Times-Outlook*.

Mrs. Nettie N. Smith of 2054 Sharon Rd., Charlotte, is basically a wonderful person, but that is just elementary. The important thing is that she is a retired RN and in a case of a colostomy operation, when she is advised of it, she will go to the hospital to confer with the doctor, and then go to the patient's home to help them for as long as needed. There are NO strings attached to this offer. She accepts no money for her services. If you meet her you will see that she is truly sincere.

Academy Notes

Dr. Stephen Fishman, professor of Philosophy at UNCC and Hebrew Academy President for the past two years, was reelected president for 1980-81. Also elected were Don Tepper, vice-president; Lois Schneider, secretary; Bob Bernhardt, treasurer. New members on the board are George Ackerman, Mary Gordan and Larry Widis.

Dr. Fishman appointed the following chairmanships: Doris Bernstein and Sue Brodsky, education; Mark Weinglass and Mike Shapiro, building and grounds; Sue Brodsky, recruitment; Mary Gordan and Doris Bernstein, fall event; Arlene Shapiro, raffle; Mel Berzack, spring event; Dr. Saul Brenner, publicity.

"This should be the best year in the Academy's history", stated Dr. Fishman. "We will have the largest student group (approximately 50 students) and largest staff (five teachers including the director). I am impressed with the enthusiasm, dedication and variety of skills of the staff. I believe that the Academy will be able to offer a program equivalent to any Hebrew day school in the country."

To accommodate the increased enrollment a second building on the property will be completely renovated for educational purposes. During the summer two "paint ins" took place through the volunteer efforts of the parents. The outside of the main building was painted and there was a general "housecleaning" of the interior.

If you are interested in sending your child this fall, please telephone the director, Raphael Panitz, at 366-6390.

Huge Attic Sale

The Academy will hold a huge attic sale on its premises October 12. The sale is chaired by Doris Bernstein and Mary Gordan. New and used merchandise of all kinds will be sold. If you have any goods please telephone Doris at 536-5367 or Mary at 847-0420.

Succoth Party

The annual Succoth party to be held on September 28 at the school is open to the community and promises to be a very festive occasion. More details will be forthcoming via Academy mailings.
