Summer Day Camp 1981

SESSION I — June 29 - July 17
SESSION II — July 20 - August 7

Summer day camps this year will be an exciting new camping experience. The program will concentrate on a variety of activities specialized for each age level. In addition to general camp staff, specialty counselors are being hired to teach campers in their specified area of expertise.

CAMP SHALOSH — 3 year olds — 9 a.m. - 1 p.m., M, W, F — \$65 members/\$90 non-members.

CAMP ARBA — 4 year olds — 9 a.m. - 1 p.m., M-F — \$90 members/\$120 non-members. Child must be appropriate age by October 16th.

A half-day program which includes swimming instruction, specialized arts and crafts activities, games designed to advance skill levels, nature exploration, songs, etc.

JUNIOR MACCABEE — K - 1st grade, 9 a.m. - 4 p.m., M-F — \$120 members/\$160 non-members. This program will include a morning of sports (with a sports director hired specifically to oversee the program) and an afternoon of "project workshops" which will involve specialty counselors.

SENIOR MACCABEE — 2nd - 6th grade, 9 a.m. - 4 p.m. — \$140 members/\$185 non-members. These campers will be offered two options

Option I: SPORTS CAMP

This camping experience will focus on skill development supplemented by "healthy" competition. This goal will be achieved in both a physical and mental perspective through the use of sports specialists.

One of the main emphasis of this program will be on soccer. Mike Klein, the JCC soccer coach, will supervise and teach in this innovative soccer program. Mike has had coaching experience with the Charlotte Junior Soccer League and has played on a number of winning soccer teams. He has played with UNCC, Northeastern University in Boston, the Pressbox and the Soccer Shop here in Charlotte.

The campers involved in this program will benefit greatly from his extensive background and experience.

Option II: Summer Rainbow — Performing Arts

Summer Rainbow is a rainbow of arts activities stressing the interrelatedness of art forms, including drama, dance, poetry, painting and music. The first two weeks of each session will be devoted to individual activities and exercises in the five areas, with the third week serving as a time to share accomplishments with each other and with some other specialists in the arts.

Jackie Current, the dancer-in-residence with the Charlotte-Mecklenburg Schools and teacher at the Children's Theatre, has developed this exciting new program in the arts and will be teaching this new concept.

Both groups will combine in the afternoon to participate with a camp crafts expert. This specialist will teach the campers how to pitch tents, build fires and live and enjoy the outdoors. The highlight of this program would be an actual two-day camping experience, where they will put to use skills they have learned. The 5th and 6th grades will make a special trip chosen and planned especially for their group.
