

“The Difference Between Being a Jew
in 1942 and 1982.”

FEDERATION & YOU

The difference is more than 40 years. It's a lifetime of change.

Change that has seen the quota system, anti-semitism and gentlemen's agreement racism challenged in the courts. On the job. In the schools. And in every facet of life, worldwide.

But it's a never-ending change. A constant battle being fought every day by an army of Jewish defense agencies. And it's your support that helps make the battle possible. And successful.

The difference is you.

Your support of the Federation helps support the Anti-Defamation League; the American Jewish Committee; the National Jewish Community Relations Advisory Council; the American Jewish Congress; and all the agencies and organizations fighting to make your life — and your children's lives — better.

You. You are the difference. The difference between yesterday and today. And today and tomorrow.

YOU.

YOU ARE THE DIFFERENCE. 

Your support of the CJF helps support: Blumenthal Home for the Aged, Federation Social Services, Jewish Community Center, Charlotte Hebrew Academy, Hillel, B'nai B'rith Organizations (AZA & BBG), United Jewish appeal (UJA) for Israel and 27 more local, national and overseas agencies.
