Hadassah Education Day

Charlotte Chapter of Hadassah will hold its Education Day program on April 27 at 11:30 am at the JCC. The speaker will be Rabbi Richard Rocklin of Temple Israel. Rabbi Rocklin's topic of discussion will be recent events and problems in Israel. Rabbi Rocklin has recently returned from a trip to Israel and will share his experience also. ORT

Ort's fund-raiser in March was a Casino Night held at the Providence Square Clubhouse. It was a truly enjoyable evening - the food was delicious and the prizes were outstanding. Special thanks go to Roberta Malickson and her committee for organizing such a spectacular event.

The March Open Meeting was an Aerobic Dance Program presented by Ena Harbin. All those who attended enjoyed the opportunity to learn a fun way to "keep in shape." The next Open Meeting will be held April 20 at the Fairington Apts. Clubhouse. For more information call Dorothy Shapiro at 847-0371.

Lila Bellar, an attorney, will speak on "Women's Issues."

Our Lox Box Sale is scheduled for May 1. This is always a popular activity, so place your orders early. For less than \$10 you will receive 1/4 lb. lox, 1/4 lb. cream cheese, 6 bagels, tomato, and sweet rolls. For orders call Pam Silberman at 542-0081 by April 22. If anyone would like to help deliver orders, call Pam.

Our final project for this year will be an Attic Sale on May 15. Start collecting your unwanted treasures. We need everyone's participation to make this a successful project. ORT schools in Israel had a 7% increase in student enrollment this year and additional funds are needed to maintain their high level of quality education.

B'nai B'rith Lecture

The Charlotte Lodge of B'nai B'rith is proud to present its featured speaker in its 1983 Lecture Series, Dr. Abram Sachar, on Sunday, April 17 at 8 p.m. at the Jewish Community Center. The lecture is free to the entire community; coffee and cake will follow the program.

Dr. Sachar is Chancellor of Brandeis University as well as one of its founders. He is also an author, having written major works on Jewish history; a contributor to national Jewish communal life, serving as the national director of the Hillel movement; and a television personality, having recently hosted his own series of programs on the Public Broadcasting System.

Dr. Sachar's long years of involvement, area of study, and sparkling speaking style give him a unique perspective and promises a truly interesting and satisfying evening. The subject of his talk is "The Future Is Not What It Used to Be."

Abram Sachar

The Lodge thanks all who have participated in the Lecture Series. As in most community efforts, it takes participants, givers and an audience for a successful set of lectures.

On April 10 the Lodge will hold its annual Arthur Goodman Handicapped Party at the Charlotte Rehabilitation Hospital. This is probably one of the oldest on-going community projects of the Lodge. The chairman for this event is Ken Stern.
