BBW Ha Lailah

Passover Baskets Huge Success

Ha Lailah Chapter would like to thank the many members of the community who contributed to the Passover Basket project. Due to the overwhelming response from the community, Ha Lailah was able to provide six needy Jewish families with foodstuffs for the Passover holidays. Without this community support Ha Lailah would never have been able to reach these families.

"Making Special Children Happy"

On April 8 several of our members worked at the Special Olympics as buddies to the participants. It was our job to make sure that the child each member was assigned to was well taken care of. We took them to their races, made sure they had lunch, took them to various workshops, and cheered them on. It was a most worthwhile experience for us, as we watched the feeling of accomplishment light these children's faces.

Members of Chaverim BBG were a tremendous help at the Special Olympics.

BBW Mid-Atlantic Regional Conference

The BBW Mid-Atlantic Regional Conference will be held this year during the weekend of May 21-23 at the Hyatt Hotel in downtown

Richmond, Virginia. The conference theme is "Inspirations of a Legacy" and will feature a number of informative workshop presentations. Ha Lailah members will be involved in a workshop presentation which will explain to other conference participants the planning and organization necessary to conduct a Judaism Institute. (The Judaism Institute is an award winning Ha Lailah project.)

Leadership in the Making

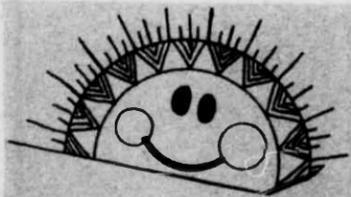

On April 13 Charlotte B'nai B'rith Women's Annual Installation was held at the Country Inn in Matthews. Members enjoyed a delicious cold plate luncheon followed by a marvelous dessert cake honoring "National Volunteer Week" which began April 17. Susan Bruck, member and regional chair, brought special greetings from the Region. Linda Binnick, past co-president and present president, gave a retrospective look at the chapter's past year's projects and achievements. Linda then proceeded with a profoundly inspiring speech revealing aspirations for the year ahead, for which she received a harmonious ovation. The new officers installed by Terri Cathcart are Linda Binnick, president; Shirley Lane, administration v.p.;

ORT

Women's American ORT thanks Laurie Hunt and Rebecca Stewart for organizing the Lox Box Sale.

The April open meeting featured Lila Bellar, who spoke on "Women's Issues"...everyone who attended enjoyed this informative program.

Instead of our regular open meeting with a program for May, a pre-planning meeting will be held on May 18 at Ronnie Herman's house. At this meeting we will discuss some of the things members want to do for next year. All interested members are invited to attend.

ORT President, Dorothy Shapiro, and Sharon Gold will attend the 5th Biennial District Convention, May 22-25 in Miami. Through workshops, commissions, and panels they'll discuss the theme, "The ORT Woman of the 80's." Congratulations go to Pam Silberman who was appointed Field Representative to District VI and will serve for the coming year in this position.

The annual installation dinner will be held in June. This is an opportunity for all members to get together one last time before the summer break, and to welcome new officers into their positions of responsibility. Make plans now to attend.
