NEW FACILITY CAMPAIGN GROWING — WE NEED YOU!!

We have come a long way - Our campaign is at \$5,185,000, we have 665 Contributors and Ground has been broken. We still need your pledge - no matter how large or small - so that everyone can be counted and we can reach our goal of \$5.6 million. This will allow us to complete the facility we have dreamed about for many years.

We are continuing to contact everyone, but please join with us and call to make your commitment or ask to be visited.

Below is the list of the Presidents of the participating institutions and their phone numbers. Call me or any one of them anytime. We have much to tell you.

BUILDING UPDATE

Building Committee Chairman, Bill Gorelick, reports that the grading contractors will be putting in the roads off Providence and Armstrong.

"The target for completion of the ballfields and tennis courts is the fall of this year," Gorelick said.

The committee also said plans now call for the Armstrong House to remain where it is, for use by the Jewish Community Center, the Federation and the Foundation.

Heavy equipment, cut logs and cleared land where in December we had the Groundbreaking Ceremony.
