

Together We Are Making News For and about You

WTVI (channel 42) is filming a half-hour special about our Project and our Jewish community.

Pictured clockwise: WTVI cameramen filming construction work of Project from roof of Armstrong House; Children from JCC day camp cavorting on the future site of the JCC — "Tennis anyone?"; "One on One;" "Simon Sez;" — Cary Bernstein, camp director, with some of the children on the grassy picnic area around the Armstrong House taking a much deserved rest.
