

Mickey Barak Aberman AZA

By Jason Ett

Mickey Barak Aberman, the Aleph Zadick Aleph chapter of Charlotte BBYO, has recently gone through some changes. In late December we attended Regional convention in Durham at the Sheraton University Center. Everyone who attended really enjoyed themselves. More recently, on January 7, we held our mid-year elections. Because of a motion made at the beginning of the BBYO year, we, Mickey Barak Aberman, now hold six-month elections. Congratulations to the new board: Godol (president), Rael Gorelick: S'gan (vice president of programming), Scott Cohen; Moreh (membership), Jon Si-

Chai Chaverim BBG

By Sara Schlosberg

The Sweetheart/Beau Dance was very successful. Many people from all over North Carolina, Virginia, Florida and Georgia came. It was a fun experience. The musical group, Urban Edge, played and did a terrific job. The new 1990 sweetheart is Kara Silverstein. The new 1990 beau is Jason Ett.

On February 28 there was a chapter meeting about upcoming elections. In early March there will be Chai Chaverim elections. This is very important so come all BBGs. There must be 37 members present. On March 11, 5-7 p.m. there will be MIT installations. Parents are also invited. Refreshments will be served.

The BBGs also enjoyed their recent visit to the Blumenthal Jewish Home.

mon and Adam Lurie; Mazkir (secretary), Peter Kaye; Gizbor (treasurer), Scott Blacker; Sopher (public relations), Jason Ett; Shoter Godol (sgt.-at-arms), Philip Rosenfeld; Kohen Godol (past president), Richard Rosenfeld.

The new board looks great and was installed at Jason Ett's home. A movie was presented after the ceremony.

MBA AZA is looking forward to a busy and successful year. We welcome aboard our newest advisor, Jered Mond.

It's a Girl!!!

Congratulations to Lauren and Philip Stark on the birth of their new baby girl. Meryl weighed 7 lbs.

3 oz. and is doing fantastic and so are the new proud parents. The chapter has 54 members including their newest "little mascot," Meryl Stark.

Lauren and Philip Stark have been the Charlotte BBG and AZA advisors for the past year.

As the prom season approaches, there are many responsibilities that our teens must undertake. The JCC is sponsoring a program, OPERATION SAFE PROM, that will be conducted by professionals from Safe Drive. This program is not only for those who drive but for those who are passengers of the driver. Operation Safe Prom is one of nine national awards that was presented from the National Commission Against Drunk Driving. Together, the JCC, Safe Drive and You can make the prom season an enjoyable one for everyone.

Please preregister for this program.

Teen Night on the Town

TNT is one of the newest teen camp options for this summer. Whether you will be involved in the teen travel camp or not, why not come out and spend your evenings under the stars with the JCC. Teens will spend nine evenings out for a three-week session. TNT will be offered the first session of teen travel camp. We'll spend the evenings going to plays, out to dinner, sporting events and much more. Be sure to pick up your camp brochure at the front office of the JCC if you haven't received it in the mail. Look for more information on teen camps in the next few issues of *The CJN* on the Tween/Teen page.
