Teenagers Invited to Join BBYO

By Jody Siegel

Hey, all you exciting people out there. BBYO did it again! Another month of pure excellence! Two of the main activities that we have done are:

A MIT (Member In Training)/AIT (Aleph In Training) intake. This was held on June 9 at Carmel Park. This event was planned by our Chapter Mit-Moms, Laura Grifenhagen and Inna Livchin. There was an excellent turnout of MITs and AITs. Hopefully, all the new members who were there, and even the old ones, will become active members in either Chai

Chaverim or Micky Barak Aberman (MBA).

We had our chapter life. This totally, unusual event took place at Aimee Goldfischer's house. Life was planned by Chai Chaverim's S'ganit Rosanne Garfield and MBA's Godol, Marc Wojnowich. The three seniors who received life were Jason Ett, Sherry Seitlin and Kara Silverstein. They all shared their best and worst moments of their four years in BBYO. Again, we had another great turnout.

If your daughter would like to join Chai Chaverim, or son wants to join MBA, call Shelah Mendelson at the "J," 366-5007.
