

## Infant/Toddler Nursery School Introduces Its Excellent Staff

By Nancy Bernstein

Nursery school is GREAT! Everyone had an easy time adjusting to school, getting into daily routines and making new friends. Who ever imagined being one-year-old could be so much fun.

We are happy to introduce you to the wonderful staff we have for the program. **Christy Hipp** and **Angie Habenicht** are in the infant room. Christy has been with the program for several months and has a degree in Elementary Education from UNCC. Angie has been with the program for the past year and a half and has extensive experience working with infants and toddlers. **Peggy Polito** is new to the program this year and has

already proved to be a tremendous asset to our program. **Beth Barber** will be a substitute whenever needed. **Charlotte Hicham** and **Liliya Vakhovsky** will be teaching in the full day toddler room. Charlotte will be the lead teacher and comes to the program with extensive experience as a Preschool Director and Child Care Worker. She also has experience in movement education, arts and crafts and music. We will look forward to hearing her play her guitar and sing with all of the children. Liliya has worked for the program for the past year and has a degree in Early Childhood Education from the Soviet Union. **Sally Fredericks** and **Dixie Mazur** are teaching in our half day toddler room. Sally started with our program two years ago and has extensive experience with preschool aged children. Dixie worked this summer in our preschool summer camp and has had a variety of experiences working with toddlers. All of our teachers

work well together to make this year's Infant/Toddler Program the best ever! They have many fun activities and lesson plans designed for all of the children to learn through play, imagination and creative outlets.

The Infant/Toddler annual "DISCOVERY TOY" party will be Oct. 18 and 19, 8:30-9:30 a.m. and on Oct. 18 also, 5-6 p.m. It is never too early to start holiday shopping or have a ready supply of birthday presents. The program receives a percentage of all sales in free toys. This enables the program to keep new, working, age appropriate toys all year long. Please support the program's needs and the children's wants.

Applications are currently being accepted for the fall half and full day programs. In order to be eligible, a child must be at least six months old and no more than 24 months old by Oct. 16. For more information or to schedule a tour of the program, call 366-5007.

#### HEBREW READING WORKSHOP

No class on October 14

#### "WHAT DO JEWS BELIEVE?"

Do we believe in life after death?  
Will there be a Jewish messiah?  
Do we believe in reincarnation?

This class will blend kaballahistic and Jewish philosophical thoughts on these issues and much more.

Instructor: Rabbi Yossi Groner Thur. 7 p.m.-8 p.m.

#### BASIC JUDAISM

An introductory course in Jewish beliefs and practices. The course deals with the Jewish people, the Jewish view of life, and the Jewish life cycle.

Instructors: Rabbi Robert Seigel  
Rabbi Scott White 7 p.m.-9 p.m.

#### THROUGH THE LOOKING GLASS: HISTORICAL OVERVIEW OF THE JEWISH EXPERIENCE

Development of Jewish civilization from its roots in the pagan culture through the appearance of Zionism and the rebirth of the Jewish nation after 2000 years of Jewish homelessness. This all encompassing overview of Jewish history will help us define and confront the major challenges that have faced the Jewish people and to examine their responses. Such historical analysis will help shed light on contemporary Jewish tradition.

Instructor: Joel Goldman, Education Director

#### SHAKING EVE'S TREE: FICTION BY JEWISH WOMEN

A rich legacy of fiction by Jewish women. This class offers the opportunity to read, discuss and enjoy short stories written by a marvelously varied, talented and often neglected group of Jewish women. We will read works by Anzia Yezierska, Esther Kreitman (I.B. Singer's sister), Tillie Olsen, Grace Paley, Cynthia Ozick, Joan Greenberg, Nessa Rappoport, E.M. Broner, Lynne Sharon Schwartz, Aviva Cantor, and many others.

Instructor: Dr. Jay Jacoby
