Playground
Continued from front page

sonal interviews with six leading playground construction companies (both local and national), extensive checking of vendor references (including numerous site visits to personally inspect equipment) and, finally, choosing the appropriate playground contractor for Shalom Park.

Members of the committee include: Sue Schneider, Anita Biederman, Beth Davis, Judy August, and Mike Sinsheimer. Staff support was provided by Debby Block, director of the Charlotte Jewish Preschool.

The committee is extremely pleased to have chosen Playground Environments based in Speonk, New York, as the Shalom Park playground contractor. Paul Ruschmeyer, of Playground Environments' Atlanta office, provided masterful expertise in artfully crafting an exemplary playground structure for Shalom Park.

With Ruschmeyer's guidance and assistance, the playground will be constructed by a group of volunteers from our Jewish community. While an exact date has not yet been chosen, the committee is targeting construction for a Sunday in late August or early September.

As the excitement of building day approaches, we are in need of volunteers to wield shovels and hammers, cook hot dogs and hamburgers, baby-sit, help carry materials and even those who just want to root!

Be part of the fun. Be where the action is. Bring a smile to your face as you participate in the playground project. A project that will bring years of enjoyment to countless numbers of children here at shalom park. If you are interested in being a playground volunteer, please contact Debby Block at 366-5007.

break through on the new SAT

The SAT is changing. Kaplan can help.
Our SAT prep course will give you the skills and confidence that you need to breakthrough and get a higher score.
Come to a free seminar to find out more.

Free seminar & practice test: Aug. 27, 1995
6 pm at the Charlotte JCC

Prep Course begins Aug. 31, 1995
