OF CHARLOTTE

NEW JCC LOGO DEBUT

The Jewish Community Center of Charlotte's new logo recently made its debut on the front cover of the 1996-97 Fall Brochure.

The logo, designed by graphic artist and corporate image consultant Bert Turner, captures the essence of the Jewish Community Center as a growth oriented and life-enriching entity and a partner in building community at Shalom Park.

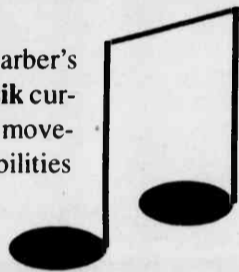

Each person will find her/his own meaning in the logo, and will find his/her own place, program, activity or peer group at the Jewish Community Center. One thing's for sure: The new Jewish Community Center logo represents a commitment to quality programs service and to YOU!

EARLY CHILDHOOD DEPARTMENT

The **Kindermusik** curriculum, a nationally acclaimed method of teaching rhythm, music and movement to young children, is enhanced by Sandy's warmth and natural abilities with children.
