## The National Conference Announces 1997 ANYTOWN

The National Conference, founded as The National Conference of Christians and Jews, announces its tenth year of ANYTOWN, a week long diversity appreciation and leadership training experience for high school students. The National Conference is now accepting applications for adult advisors, college aged counselors, and student delegates.

ANYTOWN is rapidly being recognized as one of the most successful human relations programs for youth in America. ANYTOWN earned national recognition in 1985 when it was featured on the NBC Today Show. The program helps build self-esteem, leadership skills,

communication skills, youth/adult relations, and understanding and appreciation of diversity in race, religion, gender, and culture.

The Charlotte Region of The National Conference is pleased to also announce that one of the "founding fathers" of the program, Richard Valenzuela, will be directing the ANYTOWN experience. This year's event will be held at the Blowing Rock Assembly Grounds, July 6-12, 1997.

Adult advisors play an important role by providing experience and insight into the world beyond high school. Teachers, counselors, nurses, clergy, business people, law enforcement officers and other professionals are encouraged to

apply. College Aged Counselors live with the delegates, giving constant guidance and encouragement throughout the week. Prior training for advisors and counselors will be provided.

Delegates are rising juniors and seniors and are selected based on their desire to participate and leadership potential. The cost for delegates is \$275 for the week, which includes training, room, board and transportation. Scholarships and payment plans are available.

For more information on ANYTOWN, the application procedure or sponsorship information, please contact The National Conference office at 332-4420. ✪

## Blumenthal Jewish Home Begins 1997 Membership Drive

By Sue Clein

The Blumenthal Jewish Home's 1997 Membership Drive has just begun. By becoming a member of the Home you will be supporting the only Jewish nursing facility in North and South Carolina. Your membership gift to BJH this year will come at a time of very critical need. The aging population is increasing and needing more care at the same time that the government is reducing entitlement program benefits for older adults. Membership dollars will allow The Blumenthal Jewish Home to continue to provide the excellent quality of care for which we are so well known. Your gift will help to ensure 24-hour nursing care, social services, recreational activities, cultural programs, kosher meals and medical therapies for those in need. With your help the Home will continue to serve an increasingly aging population regardless of ability to pay.

You can choose now to become a member of the Blumenthal Jewish Home for as little as \$25 for a single membership, \$50 for a family membership or take this opportunity to become a Life Member, \$1000 for a single membership and \$1800 for a couple.
