LETTER TO THE COMMUNITY

June 1, 1997

WE HAVE GREAT NEWS TO REPORT!

Our Federation Community Campaign raised \$1,572,000, a 10.1% increase over last year's achievement! Through your effort we will be able to offer our family of agencies and organizations increased supplemental funding for the coming year.

We want to thank everyone who made this effort possible. For every person who made a contribution, you should know your gift will benefit our growing local agencies and organizations.

Your generous contribution allows the Jewish Community Center to expand their teen programs. Jewish Family Service will continue to provide guidance to refugees so they will not suffer the full impact of government cut backs. The Jewish Day School will be able to provide services to their residents so they can maintain their lives with dignity. North Carolina Hillel can expand its services to Jewish students at UNC-Charlotte.

Your contribution helped feed, clothe and educate 100,000 Jews in the Former Soviet Union. And your contribution helped settle more than 58,000 Russian Jews in Israel this year. In a time of need you have come forward to raise the funds necessary to benefit those served by our family of agencies. We want our agencies here and abroad to be able to move forward with plans for innovative projects that will make life better for Jews in need.

Again, many thanks for your continuing support of our community.

Sincerely,

Rich Osborne
