## 1999 JCC Maccabi Games

Believe it or not, it's time to begin thinking about next year's JCC Maccabi Games scheduled for Houston, TX August 8-13, 1999 if you are a Jewish teenager between the ages of 13-16 years (birthdates by August 1, 1999).

Preliminary reports from Houston indicate that the following sports may be offered: Baseball, Basketball, Bowling, Chess, Cross Country, Dance, Golf, Gymnastics, Racquetball, Soccer, Softball, Swimming, Table Tennis, Tennis, Track & Field and Volleyball. Once again, interested athletes will be able to participate in only one (1) sport plus either the cross country and or track & field competitions.

Based on the overwhelming success of the 1998 JCC Maccabi Games here in Charlotte and the 137 member Team Charlotte 1998 local delegation, we would love to be able to send at least 60+ Charlotte athletes to represent our local community in this international special event. It is anticipated that between 1000-1200 Jewish teenagers will be hosted in Houston.

Any age-eligible Jewish teen with an interest in being a part of Team Charlotte 1999 - Houston should plan, along with a parent, to attend the first informational meeting about the 1999 JCC Maccabi Games on Monday, November 16 at 7:00pm at the JCC. Relevant items such as finances, delegation allotments, etc. will be addressed at this meeting which should last no more than one hour.

Local delegation co-chairmen, David Van Glish and Steve Coen, along with JCC Health & Recreation Director Barry Schumer look forward to seeing all interested parties at the meeting as we begin the kick-off of yet another fantastic, fun-filled JCC Maccabi Games experience.
