

## Sweet Beginnings.

On Rosh Hashanah we eat apples with honey in the hope that this sweet beginning will last all year. But there's no need to just hope. With your help, federation makes sweet beginnings happen all year long, for people all around the world. Reuniting families, rescuing people from war-torn regions, building community, and providing comfort. Together, we're saving people's lives. This year make your own sweet beginning. Make a gift to federation. We're your connection to the Jew across the street and the Jew around the world. Federation is the one place that belongs to all of us.
