## Relentless: "The Struggle For Peace In Israel"

Co-Sponsored by: Charlotte Torah Center, Jewish Community Cultural Arts Festival, Jewish Federation of Greater Charlotte, AIPAC, and The Israeli Consulate General

*Relentless* is a powerful one-hour documentary using primary source video clips to examine the history of the conflict in the Middle East and how the peace process unraveled in a surge of violence.

The film is an honest and open examination of the lengths to which both the Israelis and Palestinians have gone to achieve peace in the region. *Relentless* offers a methodical overview from the Oslo Accords until today of the commitments made by both Israel and the Palestinians, examining how each side lived up to their promises.

*Relentless* uses film from Palestinian TV, religious sermons and political rallies to reveal a behind-the-scenes look at Palestinian politics and culture. Loaded with footage rarely seen by western audiences, *Relentless* uncovers the hidden agenda that is behind the collapse of the peace
