JFGC 2012 Campaign Opener

The 2012 Campaign kicked-off on November 10, 2011 when master of all things psychic and mentalist to the stars Sidney Friedman made his first appearance in Charlotte. Campaign cabinet members, solicitors, members of the Federation's board of trustees, and select community leaders were on-hand for an inspirational and motivational evening designed

to benefit our entire community. During the evening which was sponsored by Bank of North Carolina, Sidney Friedman wowed the audience with a series of amazing actions designed to open our minds and more effectively communicate our fundraising message. According to Sidney Friedman, "Whether you believe in what I do or not, I don't care. I am here

to show you that when you open your mind you can make the impossible possible, the unattainable attainable and the inconceivable conceivable." We hope every member of our community will focus on fulfilling the needs of our entire community and help us meet our 2012 campaign goal of \$3.2 million. ☆
