JCRC Lunch at the Park

The Jewish Community Relations Council (JCRC) promotes the interests of the Charlotte Jewish community by creating working relationships with our neighbors and serving as the collective voice of the Jewish community. The JCRC's Lunch at the Park invites members of the greater Charlotte community – including elected officials, civic leaders, not for profit organizations, interfaith leaders – to come and get to know the Charlotte Jewish community. The group spends time over lunch learning about the Jewish community has to offer and how relations can be strengthened with these individuals. Lunch at the Park for October and November welcomed nonprofit board and staff members.

2014 Annual Campaign

Together, We Do Extraordinary Things

In order to meet the needs of our Jewish community at home, in Israel and around the world, the Jewish Federation of Greater Charlotte has set a goal of \$3,500,000 for the 2014 Campaign.

When you connect with Federation, you put the Jewish values of compassion, generosity and responsibility into action. We work together each and every day to improve the lives of people in our community, in Israel and in 70 countries around the world.

The Federation cares for people in need, responds in times of crisis, and nurtures the Jewish community today and for future generations.

Federation is all members of our community, working together to repair the world and to keep Jewish life strong and thriving.

The funds raised by our 2014 Annual Campaign ensure that the programs, institutions and values that enrich our Jewish community remain vibrant and strong. No family should have to choose between paying the rent and paying for a child's Jewish education, or between summer camp and a family trip to Israel. That's why we invest in the strength of our people by making experiences that build Jewish identity available to everyone. Whether you connect to the power of community through love of Israel or love of learning, through social action or social events, you are a valued member of our Jewish family. That's why the Jewish Federation's annual fundraising campaign is so important.

As a generous community we can do extraordinary things to make the world a better place.
