Together We Can

THE LEVINE & SKLUT FAMILIES HAVE KICKED OFF THE CAPITAL CAMPAIGN FOR THE LEVINE JEWISH COMMUNITY CENTER!

Sandra and Leon Levine, Julie and Howard Levine and Lori and Eric Sklut have kicked off our campaign with their support in the amount of \$3.6 million dollars - which will be held as a matching grant to our community. Their continued leadership and vision are in keeping with our collective desire to keep Shalom Park and the Levine JCC as a vibrant and integral part of our lives today and for future generations.

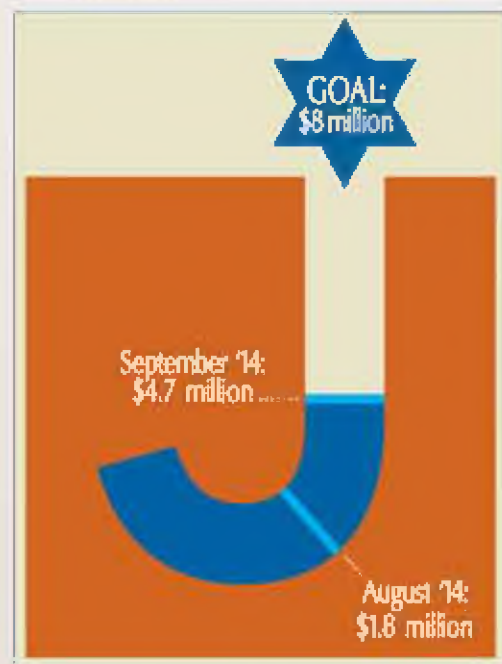

The Levine Jewish Community Center's goals are to provide the best programs, services and facilities to its members in a community-centered environment where health and active lifestyles are encouraged. To this end, the Levine JCC has launched a capital campaign to raise necessary funds towards advancing these goals, thus strengthening our community for the present and into the future. This initiative, the **Together We Can** campaign, is established to upgrade and enhance our campus to allow for our continued growth, while creating the necessary resources to maintain and endow our facilities.

Since our initial opening in May 1986, and with further renovations concluding in 2004, the Levine JCC, as part of a campus of interconnected agencies, has become a center for Jewish life in Charlotte. Through our state of the art fitness facilities, our extensive programs designed for

every age group and interest imaginable and our children's camps and programs, the Levine JCC provides the highest standards of service possible to reach every member of our community. Through our scholarship, outreach and *Tikkun Olam* (Repairing the World) programs, we ensure that every single person who comes through our doors has the opportunity to participate and engage as a welcome member of our community.

The Levine JCC has grown dramatically since the 2004 renovations were completed, with over 30,000 visits per month. We currently serve over 4400 Jewish members and our goal is to

Mindly, updating the climate control system and the expansion of program spaces. This campaign is also crafted to build the Community Endowment which benefits all agencies on the Park. The ultimate goal established to meet these needs is \$8 million dollars.

be proactive in providing continued outstanding facilities, programs and services to support this growth. Thus, the Campaign seeks to address these needs in a timely manner keeping us in a leadership position within our community and the community at large. Some of the major projects to fall under this campaign will include the renovation of the Aquatics Complex, improving the locker rooms, upgrades to Camp

The **Together We Can** campaign goes beyond the raising of funds for facility and programmatic enhancements. The Levine JCC seeks to broaden the base of support and understanding of the community, to be a stimulus for organizational pride, to foster Jewish communal fellowship and community action, to motivate renewed commitment and to develop new leaders who want to play a part in the continuation of building a healthier and active community. Now, more than ever, we stand together to this calling.

We are now inviting you to consider helping us to advance the vision of the Levine JCC by making your pledge today at charlottejcc.org/capitalcampaign. **Together We Can** make a difference for today and into the future. At the same time we would like to thank the many families that have already pledged their support to the success of this campaign.
