517 HILLSBOROUGH STREET, RALEIGH

**Chesterfield's**

**Now Open**

Chesterfield's offers Charlotte a fine selection of new, old, antique and consignment home furnishings, accessories and gifts. Examples of this great mix include original artwork, beautifully framed mirrors, 18th century desks and game tables, porcelains, a host of lamps and royal seal Limoges plates. One of the most fascinating pieces is this exquisite Louis XV commode from the estate of Madame Chiang Kai-shek.
