**Introducing
The Vintage Series**

Where Dreams Become Realities

Gently rolling tree lined streets, lighted sidewalks, and earthen colors welcome you home. A step back in time. Or at least it feels like it. Now, everyone can have the opportunity to enjoy the homes of character that used to be available to just a few. You have just experienced the Vintage Series.

The concept of the Vintage Series was envisioned by Charlotte's renowned architect, Doug Tino and Emory Holroyd, who after extensive studies and photographs of Charlotte's most beloved and sought after neighborhoods, attempt to capture the character of timeless beauty and charm of yesteryears, while encompassing the amenities of today's modern lifestyles. The Vintage Series embodies a meticulously detailed and updated version of the home plans that have endured the test of time. The architectural character of these homes has never before been duplicated in this price home and will always demand the most value and style.

A special group of builders, who withstand the test of time for quality and craftsmanship, were selected in order to meet the exceptional demand of delivering this stunning product. Compare quality, design and value with any other builder and see what an opportunity has been created for you.

Don't miss your chance to own a piece of history being built especially for you.
