Can you help us out?
Do you have any back issues of Q-Notes?

We want to be sure that we have plenty of back issues for historical preservation.

The following is a list of Q-Notes issues we need more copies of for archival purposes.

Please check your keepsakes, files, mementos or other tuck-away spots to see if you have any you could spare and share.

It is our desire to be your best resource for LGBT news and views — past, present and future.

Contact us at the phone, email address or address below if you can help.
