## **Who is Any Lab Test Now?**

We are a laboratory draw facility that provides testing to customers with direct consumer pricing.

We are a fast growing national company with sites in over 20 states.

We have 4 convenient North Carolina locations listed below to help serve you better.

## **What do we do?**

We offer thousands of standard lab tests ranging from STD, HIV, Drug, and DNA testing, to Cholesterol and Basic Health testing.

You name it...we can do it! We also offer a wide range of blood work panels and health screens.

We are currently offering the Flu Shot for...\$14.99! All our labs are done CONFIDENTIALLY, DISCREET, and most of all PROFESSIONALLY!

## **Do I need an appointment?**

**NO!** We do not require appointments but you may make one if you prefer. Do we need a Doctor's order? **NO!**

A Doctor's order is not required! Also, any testing done at our lab does not have to be entered into your present medical record.

## **Why should I come by Any Lab Test Now?**

We have the most courteous and professional staff in North Carolina! Not to mention you will receive your results in most cases in 24-48 hours with some rapid drug screening within 3 minutes while you are there! AND, we also have low and competitive prices in your town!

Start the New Year becoming pro-active in your life and pledge to become healthier! We at Any Lab Test Now are dedicated to helping the community and our customers become aware of their own individual health and we strive to make each experience with us as pleasant and quick as possible. The normal visit time is usually under 10 minutes and walk-ins are welcome and appointments are accepted. We have a very pleasant, inviting, and welcoming atmosphere. No need to take time off from work or time off from school. Just drop in and see us on your lunch break! We are eager to answer any questions you may have and we look forward to seeing you soon! Be sure to ask us about our Monthly Specials which we run each month! Mention this Ad and receive \$10.00 off toward our monthly special or any other lab test we own. (Excluding the Flu Shot)
