Thanks to you,

InTouch Body Therapy has enjoyed eight and a half successful years and is still going strong today. Your loyal patronage during this time has been sincerely appreciated.

Recently, you've been sharing with me how the economy is squeezing you. You've told me that you want to continue your regular massage and Reiki sessions, but it's a burden on the budget.

I understand, which is why I'm lowering my massage rates as follows:

Half hour: \$20 • Hour: \$40 • Hour and a half: \$60

"Feeling good shouldn't have to be a luxury."

A full-service massage therapy clinic specializing in Swedish, Neuromuscular and Hot Stone massage, Reflexology, Acupressure and Reiki.
