

## out in the stars

October 2 - 15

Show your pride this October when many planets sweep through lovely Libra and sexy Scorpio. Expect a few surprises in your love department when Venus retrogrades. A certain you-know-who could become a you-know-what.

**LIBRA (09.24-10.23)** Gay Libras with a love song in their heart will have to pay a few musicians to get it played. But, as you gain the love of your life and the grand lifestyle you both seek, it is all worth it in the end...err isn't it?

**SCORPIO (10.24-11.22)** Can you drum up the enthusiasm of the crowd and sway them to your way of thinking? Probably. But, first decide if you want to be the leader of the Pride parade. Most gay Scorps are content to control things from behind the scenes. No chance now.

**SAGITTARIUS (11.23-12.22)** Who knew that you had such a large and adoring fan base? Gay Archers could be flattered to the point of arrogance, but try to hold your ego in check. Remember that you attract even more flies with sugar than with sass, or something like that.

**CAPRICORN (12.23-01.20)** Pink Caps with nothing on their social calendar soon fill it to overflowing. Enjoy your popularity surge and see how you can add to the excitement and the festivities. Wearing a lampshade on your head may be one way to do it, but I don't recommend it.

**AQUARIUS (01.21-02.19)** Have you been concentrating on your professional path, Aqueerius? Use your political acumen to create the right opportunity for advancement. You could just take some time off and coast, but why not do that after you get where you want?

**PISCES (02.20-03.20)** This is an excellent time to travel, Guppie. The idea is to expand your current space and experience some new places and people. Or, try a new course of study. Take a yoga class or join a book club. Whatever

you do, make it totally new and unexpected. **ARIES (03.21-04.20)** Be prepared. You will have many many choices from the dating tasting menu, but try to be discerning and discreet. Tiny things may have a way of blowing up, way out of proportion. Ah, I guess you can only dream that that will happen!

**TAURUS (04.21-05.21)** Current relationships need some tender loving care. Are you getting all that you need? If not, make inroads into longstanding issues. For queer Bulls on the hoof, trot over and explore some new pastures. You are ready to run with the best of them.

**GEMINI (05.22-06.21)** This time period is good for getting longstanding tasks completed and off your desk. You muster greater reserves of energy and concentration, for a change. Get moving on your projects before your attention is diverted and squandered. Oops. Too late.

**CANCER (06.22-07.23)** Gay Crabs find ways of enjoying themselves. Good thing, too — you were getting too boring and fried from too much work. See what tasks you can defer and take some time to enjoy life. That does not mean leaving work at 5 rather than at 8.

**LEO (07.24-08.23)** Find any excuse to entertain at home. Pick from your flock and arrange a stimulating group for a stimulating evening. Proud Lions can become the talk to the town and the A-list invitation to receive. But, maybe you are angling for a lower letter?

**VIRGO (08.24-09.23)** There is a lot going on in your mind. Take some time to let your mind wander, relax and de-stress. Try not to agitate. Don't let nitpicky annoyances take up your mental bandwidth. Gain a new perspective and then take your act on the road. ::

## FOR MATURE AUDIENCES ONLY

### You mean they can read?

Porn filmmakers and real-life couple Cole Maverick and Hunter, popular on Xtube and other amateur sites for their bareback, three-way adventures with young and cute twinks, have written a book, available now in e-book format and out Oct. 31 in print. "Maverick Men: The True Story Behind the Videos" puts the couple's experiences into written form. The two have published a risqué video trailer for the book. Unfortunately, we can't go into details here — it's all very not safe for work, or print for that matter. You can, however, look them up on your own (maverickman22 is their

username on Xtube). Just don't say we didn't warn you.

### Having fun now?

Nineteen-year-old Brit lad Kelz Sutherland managed to pocket a cool \$135,000 from 10 older, male victims after chatting with them on phone sex lines, getting them to talk about their fantasies of sex with teens and blackmailing them by threatening to report them to police. Now, a court has sentenced the young man to 45 months in prison. We wonder, how many older men will he be able to victimize there, or have the tables finally turned?
