**The Badin Baseball Season**

It is a noticeable fact that the baseball season in our town has been one of increasing interest and enthusiasm. The crowds at the games have grown steadily, and the grandstand and bleachers have given the best sort of support to our players.

That our boys have played good ball will be seen from the review of the games with Albemarle and Kannapolis, which is given below. Too much praise can not be given to Manager Harry Smith for his tireless energy and enthusiasm in promoting the interests of baseball in Badin. To him is largely due the success of the season here.
