Men and Boys of Badin

Never before in the mercantile history has such an array of

High-Class Tailoring

been placed on display in a town of less than fifteen thousand inhabitants. Matters not how exacting you are in your clothing demands, **you can suit yourself here, where quality is highest, fit perfect, and prices lowest.** If you want a hurry-up suit, will make and deliver to you in five or six days. **Save a Ten-Spot,** and have a good time.

In conjunction, I have opened up

A Most Complete Line of Furnishing Goods

Come in, whether your wants have been supplied, or in need.

Glad to see you any time.
