

Baseball

Interest in the "great American game" is running high, and the coming season bids fair to be the best Badin has ever had.

Several meetings have been held, and organization completed. The officers of the association are as follows:

President, J. W. Frazier; Vice-President, C. W. Coffman; Secretary-Treasurer, E. F. Smith.

It has been decided to put three teams into the field instead of four, with an entirely new line-up as to territory covered, as follows:

The Office team will include Main Office, Store Room, Laboratory, Payroll Department, and Employment Office.

The Plant Team will be made up of the Aluminum Plant, Carbon Plant, Machine Shop, Electrical Department, Reclamation and Traffic departments.

The Townsite Team will take in the Construction Department, Rent Office, Townsite Office, depot and merchants of the town.

A committee composed of Messrs. Burns, Stokes, and York have already done good work in collecting funds for the purchase of balls and bats with which to begin the season.

The Governing Board deserves much credit for the fine start that has been made. The Board is made up as follows: Messrs. York, Burns, Coffman, DuBose, Stokes, Ed Smith, Joe Taylor, and J. W. Frazier.

Sports

With the coming of beautiful spring weather after the recent cold spell the boys are showing an increased enthusiasm for the great games, tennis and baseball, while flower-hunting hikes are in high favor with the girls.

At a recent meeting of the Racquet Club, a number of new members were elected and taken in, with appropriate exercises by Harry Swindell.

Plans for improving the courts were discussed, and in part have already been put in action.

Mr. Mority Here

Mr. Charles H. Mority, Vice-President in Charge of Aluminum Manufacture, was here on business recently. We are always glad to see him.

Spence Kirk and Nishie Clodfelter have given up the task of reforming each other.

Returns from New York

Mrs. J. E. S. Thorpe and son, Foster, are in Badin again after an interesting and delightful visit with friends and relatives in New York.

Mr. Harry Smith Back Again

Mr. Harry J. Smith, who was recently called to New York on account of the sudden death of his brother-in-law, Mr. Edmund F. Haight, has returned to Badin. It was only the last of February that Mr. Haight, accompanied by his wife and daughter, were visitors at the home of Mr. and Mrs. Smith.

Personals

Have you passed by No. 19 Magnolia lately? Did you wonder who lives there? Mr. D. E. Valley occupies that house, and has made a wonderful improvement in the premises. His example should be followed by every resident in Badin.

We were glad to have with us Mr. Penn, of the Alcoa Works renting department, on March 17, and are sorry that his visit was so brief. Come again, Mr. Penn! And stay longer next time.

Mr. A. L. Scott was called suddenly to his home in Canada by the death of his mother. We wish to extend our sincere sympathy to "Scotty" in this bereavement.

Mr. N. W. Dry, of our Rigging Crew, has been sick for several weeks, but is on the road to recovery.

Mr. W. G. Nelson is helping to care for flu patients at night since his best girl is out of town.

Mrs. R. E. Parks is enjoying a week's visit with friends in Knoxville, Tenn.
