## Vindicators Score Most Squadron Points

Finals of the regimental wrestling tournament were held Monday afternoon at which time the eight cadet champions were crowned.

Under the direction of Lieut. Charles Speidel, USNR, head wrestling coach, and Lieut. Rex Pyles, USNR, of the athletic department, the tournament attracted a fast field of 159 entries. "There were not as many experienced wrestlers participating as we have had in previous tournaments," commented Coach Speidel, "but the boys were very evenly matched, and all made a good showing. Also, much of the credit for the success of the program should go to Lieut. Pyles. He handled all the details of the tournament, and there was not a single hitch along the way."

All bouts were governed by collegiate and AAU time and rules. All of the 12 athletic squadrons had entries, and the Vindicators, coached by Lieut. Frank J. Haggerty, USNR, and Lt. (jg) George E. Raab, USNR, won top honors with 76 points. The Kingfishers were second with 38 followed by the Buccaneers with 34, Skyrockets 33, Wildcats 30, Helldivers 27, Catalinas 23, Buffalos 22, Devastators 18, Mustangs 16, and Mariners and Coronados with 8 each.

Individual winners and members of the Vindicator team will, by virtue of their victories, receive an extra hour of liberty tonight.

While all the bouts were interesting from both the participant and spectator point of view, the two fastest matches were in the 151 and 175-lb. weights. In the former R. D. Allcroft of Elizabeth, N. J., decisioned Edward Pappert of Dormont, Pa., 7 to 4, and in the 175-lb. class J. K. Abraham, Canonsburg, Pa., won a 5 to 0 decision over Samuel Brocato of Baltimore. The Abraham-Brocato match was a case of the former's finesse over the latter's strength.

Other results:

132—C. W. Bell of Stamford, Conn., over B. A. Dudley of Marlboro, Mass.

138—A. M. Chausse of Provident
