Life Insurance Still Available Without Medical Examination

"Less than three weeks remain to apply for National Service Life Insurance before it will be necessary to take a physical examination to qualify for such a policy," it was announced this week by Lt. (jg) C. W. Smullen, USNR, station insurance officer.

After August 10 only new recruits, with less than 120 days in service may take out this insurance without examination. "The medical examination waiver is made possible by the Navy department in the belief that Navy men everywhere wish to provide maximum security for their wives, children or parents," said Lt. (jg) Smullen.

Under this waiver that will cease to exist after August 10, Navy men may extend the amount of their insurance, obtain additional policies for other members of the immediate family, or take out an initial policy without examination.

Lt. (jg) Smullen pointed out that under certain conditions beneficiaries actually receive \$13,224 at the event of death of the insured.

"If the beneficiary of a \$10,000 policy is under 30 years of age at the date of death of the insured payment by the National Service Life Insurance Company is made monthly at the rate of \$55.10 for 20 years," said Lt. (jg) Smullen. "This amounts to \$13,224. The \$3,224 excess payment represents interest credited to the unpaid balance.

"If the beneficiary is over 30 at the time of the insured's death, payment is made in installments according to the beneficiaries age at the time of such death. Regardless of how long the beneficiary lives after payment begins, this monthly income is guaranteed for at least ten years, the contingent beneficiaries receiving any unpaid installments due subsequent to the death of the primary beneficiary."

Premium for service men at age 25 is only 22 cents a day—or \$6.70 monthly. Enlisted men and officers may apply for further information at the Personnel Office in Alexander Hall.

Movies Next Wednesday

Films scheduled for Pre-Flight officers, cadets and enlisted men in Memorial Hall next Wednesday evening are "Eyes of the Navy," "Recognition of the Jap Zero" and "Midway and Coral Sea Battles." The showing will begin at 1930.

ton Braves, who scattered seven hits though walking eight.

Both teams did some fancy fielding, and Cadet John Pesky showed how he did it with the Boston Red Sox in the eighth when he went far to his right to turn Boley Todd's hit into a double play.

Other than Cadet Williams, who drove in four runs with three hits, Ensign Harry Craft, USNR, and Cadet Pesky had three hits for the Pre-Flighters.

Just as good a ball game was the one here on Sunday with the Naval Air Station, and about the only difference was the superb play of Cadets Louis Grempp and Joseph Coleman.

Grempp, besides driving in three runs with a homer and single in three trips to the plate, handled nine chances in the field without an error. On three occasions he came up with almost impossible stops.

Cadet Joseph Coleman, winning his eighth game against one loss, went the route for the Cloudbusters allowing six hits. With the exception of the fifth inning when the Air Station scored its three runs he encountered little difficulty.

A base on balls to Cadet John Pesky, singles by Lt. (jg) John Hassett, USNR, and Grempp, and Cadet Theodore Williams' double produced three Cloudbuster runs in the first. Another was added in the second when Ensign Harry Craft, USNR, singled to left scoring Lieut. Alexander Sabo, USNR.

Grempp's home run with Hassett on first scored two of the three runs in the eighth. The other came about when Lt. (jg) Morriss Deutsch, USNR, singled and came home on Ensign Moriarty's triple to deep right.

All of the Air Station runs were the results of home runs. Al Evans, former Washington Senator catcher, hit for the circuit with none on, and Hub Walker of the Detroit Tigers hit a round tripper with Sal Recca on base.
