

Coronados Win Fall Sports Program Competition

REGISTERING 23 MORE POINTS than their nearest rivals—the Mustangs—the Coronado squadron won the fall sports program with a 192 total. In wrestling the new champions won 5 and lost 3, in boxing they won 6, lost 2 and tied 3, in track they were victorious in 7 of 11 meets, and in swimming they won 11 contests against no setbacks. Only in football and soccer was their won and loss record under the .500 mark. On the gridiron they won 4 and lost 5 and tied one, and in soccer they won 10, lost 11 and tied one.

Basketball, Gym and Tumbling Added to Winter Sports Program

There was no competition in the Sports Program this week as all twelve squadrons held special practice sessions prior to the start of the winter program on Monday.

The fall program, which ended yesterday a week ago, saw the Coronados capture the championship with a 192 point total, some 23 points better than their nearest competitor—the Mustangs. The Helldivers and Skyrockets tied for third place with 162 points.

Most surprising turnabout of the fall race was the downfall of the Vindicators. Winners of the spring and summer competition by large margins, it appeared that they were as certain to repeat as the New York Yankees. A look at the final standings reveal a total of 130 points for the Vindicators, and position number 10 in the 12 squadron race.

Other standings show the Devastators with 153 points, the Buccaneers with 138½, Kingfishers 137½, Buffalos 134½, Catalinas 133, Wildcats 121, and the Mariners 117½.

In final fall competition in football the Buccaneers defeated the

Mariners, 14 to 6; the Vindicators handed the Coronados a 12 to 6 setback, and the Mustangs won over the Wildcats, 13 to 6.

The Buffalos shut out the Vindicators in soccer, 11 to 0, while the Mustangs defeated the Kingfishers, 3 to 1, and the Coronados took the Catalinas into camp, 4 to 1.

Swimming results showed the Mustangs victorious over the Devastators, 35½ to 30½; the Buffalos defeated the Mariners, 37 to 29, and the Coronados had little trouble with the Kingfishers, winning by a 47 to 19 score.

“B” points scored for period ending November 26 were as follows: Buccaneers 12, Buffalos 11, Mariners, Skyrockets and Kingfishers 9 each; Mustangs 7, Helldivers 6, Catalinas, Wildcats and Devastators 4 each, Vindicators 2, and Coronados 1.

Football, which is being dropped in the winter program, will be replaced by basketball, and gym and tumbling will take the place of track. All other sports—wrestling, boxing, swimming and soccer—will continue as in the past.
