### Five Cadets Get Special Mention

Three soccer players, a gym and tumbling expert, and a swimmer get the limelight in Sports Program competition for the past week.

Two of the soccer players were participants in the championship soccer game played between the Helldivers and Vindicators. The Helldivers won, 2 to 1, and Cadet J. C. Hirst, 49-B-2, was the lad who provided the scoring punch. Playing at center halfback, he sent the tying goal in from a beautiful corner kick, and produced the margin of victory by scoring on a penalty kick.

Cadet William C. Sieck, 47-J-1, the Vindicator goal keeper, turned in fine performance at his position. In five games previously he had only three goals scored against him.

Hirst hails from Philadelphia. He played four years of high school soccer and three years of college soccer, winning three varsity letters at the University of Pennsylvania.

"He is a 'natural,' when it comes to kicking a soccer ball," says Lt. (jg) W. R. Strasbaugh, USNR, coach of the Helldivers, "for he is able to kick with either foot."

Cadet Sieck is a Baltimore, Md. product. He played a bit of soccer in high school, and was an intra-

mural star at Swarthmore College for three years.

The third of the soccer aces is Cadet E. W. Robinson of the Buffalo team. Another goalie, he has allowed but three goals in eight games.

Besides playing soccer one year at Penn., he also participated in the sport for three years in his home town high school of Olney, New Jersey.

In the gym and tumbling department Cadet E. G. Waters, 49-A-3, does just about everything there is to do with perfection. After four years of gym in high school he attended St. Lawrence University. At the latter institution, he participated in wrestling and football but no gymnastics. Here he is back with his favorite sport, and he's making a name for himself.

Cadet Doran, 45-F-1, gets the nod as the swimmer of the week. However, the photographer missed his picture for the former Princeton star is also a member of the varsity baseball team. While in college Doran was Eastern Inter-Collegiate Champ.

Here he is known for his diving exhibitions, and usually the cadets arrive early just to watch him perform.
