

Cross-Country Team Defeats Georgia, 18-45

Paced by Cadets Knox and Wilson, who tied for first place, the Cloudbuster cross-country team defeated the Georgia Pre-Flighters, 18 to 45, last Saturday.

Upsetting the individual favorite, Smith of Georgia, Knox, who starred at the University of Wisconsin, and Wilson ran their best races of the year to cover the three and five-eighths mile course in the good time of 19:29.0. Smith last week defeated Gibson of Cherry Point Marines who earlier in the year beat both Knox and Wilson. Following Smith were five Carolina Pre-Flighters, Place, Dyer, Griffith, Buckley and Faust, in that order. All turned in top performances.

Saturday's meet with the Skycrackers brought the season record to five wins and a single loss. Previous wins have been recorded over the University of North Carolina, Duke, University of Virginia and the Cherry Point Marines. The loss was to the undefeated Naval Academy team, considered the strongest cross-country team in the country.

This year's squad, a worthy successor to last year's unbeaten team, started the season with only three men with previous running experience. These three Cadets—Knox, Faust and Cunneen—competed at Wisconsin, New York Aggies and Cornell respectively. The other members of the squad have received all their training since enlisting in the Naval Aviation Program. The tremendous improvement on the part of Cadets Wilson, Clapsaddle, Place, Dyer, Griffith and Buckley has brought much praise from Lt. (jg) Mark Panther and Lt. (jg) Charles Beetham, both track coaches.

With cross-country teams lim-

. New Record Book, Maybe .

Setting a new all time high mark in battalion competition by scoring a total of 1,244 points, the 58th Battalion easily bettered the old mark of 970.5 which was held by the 51st.

In every type of competition—military, class athletics, sports, and academics—the new champs were best for the two weeks just completed. Their 418 point total was by far the highest ever made during one period of competition.

Prior to this week, when the 58th won the competition for the third straight time, no battalion had won the overall competition more than once during its stay here.

Take a look at the record. In military, academics and class athletics they won first places and 275 points. In swimming they defeated the 62nd, 58 to 21. Boxing saw them victorious over the 61st, 8 to 1. In wrestling they defeated the 50th, 33 to 8, and in soccer an overtime game was dropped to the 60th, 1 to 0.

Only in football and track did they fail to make the finals. The 59th defeated the 60th in football, 14 to 0, and track results were not available when the Cloudbuster went to press.

BASKETBALL

ing record last year by registering 352 points for the season. Other Cloudbuster standouts last year included Whitey Myers of Dartmouth who scored 322 points, Tippy Dye of Ohio State who had 104, and Stan Skaug, also of Dartmouth, who scored 99.

Over the season last year the Pre-Flighters scored 1,119 points as compared to 680 for the opposition. The 82 point total against Davidson College set a new game high in the Cloudbuster record book.

ited to seven men, several cadets, notably Dufford, Sweet, Cunneen and Osborn, forced the usual starters to peak performances and several times were able to displace them in meets.

At present the squad is looking ahead to November 11th when it will meet the Georgia Pre-Flight and Georgia Tech in a triangular meet at Athens. In the meantime additional meets are being arranged.

FOOTBALL

own 26 to the Skycrackers' 28, where Koslowski fumbled and the Georgians recovered to stop the threat. The Skycrackers immediately went to work and, with Stanczak directing, advanced to the Carolina four only to lose the ball on the six when Tom White fumbled and W. E. Harding recovered for the Busters.

For 59 minutes that is the way it went. First the Cloudbusters, then the Skycrackers. On the march. It was the Cloudbusters who gave the greatest goal line performance, in fact, one of the greatest of the year by any team. Midway the third period Ted Scruggs intercepted one of Graham's passes from behind his goal and smashed up to the Carolina two yard line. Three cracks at the Cloudbuster line and pass failed, and Koslowski kicked out to stop the threat.

Late in the final period the Cloudbusters drove deep into Skycracker territory, the second occasion making the field goal possible.

Pre-Flighters Seek Fifth Win At Jacksonville

The Cloudbuster football team and coaching staff left yesterday for Jacksonville, Florida where this afternoon they meet the strong Naval Air Station football team.

All week the Pre-Flighters have been working out in preparation for the game, but injuries will keep the local club from being at top strength.

Ends Wally Schumacher, Warren Anderson, Melbourne Sheehan, and W. E. Harding are all suffering from minor injuries as are Leland Yager and Ben Lum, regular tackles, and Dale Pulver, a guard. Backfield standouts on the sidelines include G. V. Fellabaum and Frank Aschenbrenner.

Coach Killinger named a tentative starting lineup, shortly before he left, with the exception of the end spots. George Lorentz and Lum will start at the tackle spots, Kermit Atkinson and Gene Flick will be in at guard and Ralph Huncycutt at center.

Otto Graham has returned to his old spot at quarterback, and J. T. Levay and Bill Wilson will be at the halves, and Stan Koslowski at full.

War Fund Totals \$1,304

Contributions to the National War Fund here totalled \$1,304, Lieut. William C. Clark, officer in charge of the drive, announced yesterday.

The total represented a 250% increase over last year, despite the fact that there are 30% less personnel on the station now.

The regiment of cadets turned in nearly a thousand dollars, with \$130 from the French cadets being the most from any battalion.
