

# Rep. Judd, Noted Medical Missionary, To Address Cadet Regiment at Chapel

Rep. Walter Judd, Minnesota, a doctor who served as a medical missionary in China for many years, will address the cadet regiment in the chapel services tomorrow in Memorial Hall.

Dr. Judd was on the staff of the Mayo Clinic when he went to China under the Federal Board of Commissioners for Foreign Missions. Until Japanese restrictions prevented his continuing in 1938, he supervised hospital work. Upon his return to the United States he toured the country as a lecturer on the Chinese-Japanese situation.

In 1941 he retired to private practice of medicine in Minnesota but his lectures attracted such attention that he was urged to run for Congress. Elected, he went to Washington in 1942.

Further discussion of his Sunday topic will take place on Monday at 1900 in Murphey Auditorium, when Rep. Judd will lead a forum for the cadets.

## AROUND the STATION

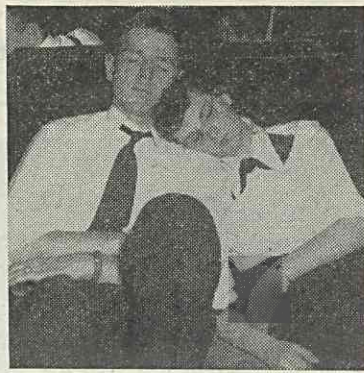

Among the service teams in the nation, the Cloudbusters rank fourth in the Williamson Ratings and seventh in the Associated Press standings as released this past week.

Only Randolph Field (99.2), Bainbridge Navy (97.4) and Norman Air Station (96.0) rank higher than the Cloudbusters (95.4) in the Williamson Rating. Others in the first 10 include Iowa Pre-Flight (94.2), March Field (94.0), Great Lakes (93.8), Third A.A.F. (93.2), Second Air Force (93.0) and Fort Pierce (92.9).

Ensign Johnny Pesky, who played shortstop on the Cloudbuster baseball nine in 1943, was present at the game with Georgia Pre-Flight last Saturday at Athens.

Now stationed at the Naval Air Station in Atlanta, Ensign Pesky was on the Cloudbuster bench for part of the game. Prior to enlisting in V-5 he played shortstop for the Boston Red Sox in the American League, and in 1942 was named the "Rookie of the Year."

The Cloudbuster baseball nine on which Pesky performed here was considered one of the finest service teams in the nation. Such stars as Buddy Hassett, Ted Williams, Harry Craft, Dusty Cooke, Buddy Grempe, Joe Coleman and John Sain, all former major leaguers, were on the club.

HOW TO RELAX in a coach car, or are they really sleeping? This candid shot was snapped on the return trip from Athens last Sunday. On the left is Cadet Dan Weitekamp, Cloudbuster quarterback and regimental commander of the 59th Battalion, while resting on his shoulder is Irene Contois, HA2c, who is one of the WAVE cheerleaders.

# Cross Country Team Closes 1944 Season With 6-1 Record

Scoring another victory at Athens last Saturday, the Cloudbuster cross-country team ended the season with a record of 6 wins against a single loss.

In Saturday's meet, in which Georgia Pre-Flight, Georgia Tech and the Cloudbusters participated, the local runners won with a low total of 26 points. Georgia Pre-Flight was second with 29 points and Georgia Tech was third with 95.

Over the past two seasons the Cloudbusters have won 11 meets against one loss. Only the Naval Academy has emerged victorious, and its team this year is considered the finest in the nation.

Victories in 1944 were registered against the University of North Carolina, Duke, Virginia, Cherry Point, and the aforementioned Georgia Pre-Flight and Georgia Tech.

Cadets M. G. Knox, 60th Battalion, and J. N. Wilson, 59th, were outstanding competitors followed closely by Cadets G. C. Place, E. R. Clappsaddle, K. D. Faust, D. A. Dyer, H. K. Griffith, H. M. Dufford, J. G. Buckley. Only two men on the entire squad had previous running experience.

Lt. (jg) Mark Panther and Lt. (jg) Charles Beetham of the track department have been in charge of the team all season.

San Francisco (CNS) — San Francisco's post war-plans include a proposed fleet of 26 14-engined Pan American clippers, based here for one-day round trip to Hawaii.

Long Beach, Cal. (CNS)—The will of Ellis Scates, 76, leaves \$250 to a local church—with this note appended: "St. Peter, Take Note!"

## CAMP PEARY

(Continued from page one)

great teams of 1937-38-39 and a former Chicago Bear.

Andy Uram, one of the finest backs ever to play at Minnesota, heads a backfield which includes John Kordich of Southern California, Bob Morrow of the Chicago Cardinals and Joe Bukant, another Cardinals ace.

Pre-Flight emerged from the 33-to-18 victory over Georgia Pre-Flight in good condition, with the exception of Stan Koslowski, hard-hitting fullback. Koslowski may not play any of the game. The return, however, of Ray Bray and Gene Flick in the line, and J. T. Levay, Jitterbug Kellogg and Spec Sanders in the backfield will take up some, if not all, of the slack.
