For The Kiddies

ONE of the most popular games in the recently opened Recreation Center is the electric football board, shown above during a "close" game between Jerry Westbrook, left, and Billy Ledford—both sons of Firestone employees. The cheering section consists of Judy Westbrook and Rita Ann Ledford, from left to right, sisters of the players. This is just one of many interesting games that employees' sons and daughters may play at the Recreation Center.

Shown At Flower Show

THE FLOWER DISPLAY above is an artful arrangement of Mrs. W. R. Turner, wife of Section Man W. R. Turner. This and other decorative displays, following an autumn theme, were shown by Mrs. Turner at a flower show in Dallas, October 3rd. The event was sponsored by the Hoe and Hope Garden Club of which Mrs. Turner is a member. In all recent Firestone Hobby Shows, Mrs. Turner's exhibits of flowers, and miniature fish (another of her hobbies) have been outstanding competitors for top honors.
