

PIEDMONT AVIATION NEWS

Vol. 1 No. 20

PA NEWS

June 4, 1946

Let's look at our line service from the visiting Pilot's view.

The instant the pilot sits his wheels on our runways, we begin to either win or lose him as a customer.

- (1) Do we meet the customer courteously?
- (2) Do we show him where he can find Operations?
- (3) Do we show him where he can find the rest room?
- (4) Do we show him where he can find the restaurant?
- (5) Do we show him where he can find the Weather Bureau?

Let's find out his or her needs and show and tell them where they can be found. It will cost us only a few minutes work to dust out the floor and wipe the windshield, yet it will pay big dividends in good will.

SOFTBALL

We are all very proud of the Piedmont softball team, and we sincerely hope they will continue to play "bang-up" ball and come out in first place in the league. We urge all employees and their families to come out to the games whenever possible, to cheer our team, and give them their moral support. A good cheering section helps any team!

- June 4th - Piedmont vs. Selected Dairies at Wiley
June 6th - Piedmont vs. City Silent Club at Gray #1
June 11th - Piedmont vs. Winston Steam Laundry at South Park #2
June 13th - Piedmont vs. Wall Coal Co. at Hanes High

Our softball team has won from Tire Builders, Selected Dairies, Duplan, and Modern Chevrolet; and lost to Y's Men and Modern Chevrolet.

IMPORTANT ANNOUNCEMENT

Mr. Charles Vestal on June 1st assumed the duties of Director of Operations and will be in complete charge of all flight activities and other functions centered around the operations. Charles has been with us a long time and his knowledge of a general operation should well qualify him for this position. Let's all give him our wholehearted support and cooperation.

VETERANS

We welcome all the veterans who are taking flight training at Piedmont, and we all wish them well on their training. Piedmont is an approved flight school to give private and commercial license and also instrument and instructor ratings. Let's all work together to "Keep em Flying".

NEWS ITEMS

We have a new employee in our midst, Mrs. Maxine Trotter. She will be a big help in the general offices of the company and be able to take care of the increasing amount of paper work as a result of the GI Program, WAA, Surplus Parts Sales, etc.

In case you didn't notice in the May 26th Journal, J. C. Kelley was awarded a trophy for the "best sportsmanship" for athlete at Mineral Springs High School. Joe Culler also received the football award for best all-round player.

We all welcome Frank Nicholson back to our flight department after serving a tour of duty in the Army Air Forces.
