

Dear Jim:

If the idea for the "Hoover Rail" is your own, I want to tell you its a GEM. I like to lie around on the bunk and read that 'baby' when I have nothing much to do. Hope you will see to it that I don't miss a copy for the Duration.

My basis training is well under way now and I have enjoyed it every minute, so far it has not been too hard. I like the place very much. Some of the fellows here came up from Fort Bragg along with me, but most of Company G are from Indiana and Ohio

This is a grand place to be and I'm getting along fine.
Kindest regards to everybody in Lawndale.

To the Lawndale Citizens, the "Hoover Rail Lawyers" and Editor:
I have received copies of your paper and enjoyed reading it, so keep up the good work. I know the rest of the men in service enjoyed the paper as much as I. I wish to thank the friends of Lawndale for the many Christmas greetings which I received and may the New Year bring Victory to us all.

I am looking forward to the next issue, so just pass the ammunition.

To the Men in service from Lawndale, I wish you the best of luck and a safe return, home-

Pfc. Avery T. Sloan,

Dear Friends:

I just received my second copy of your (or our) "Hoover Rail", and I can't begin to tell you how much I enjoyed reading it. I think it is a wonderful thing, something that every man or boy, who was born, or has lived in that town would appreciate. I especially like it for this particular reason, I have a number of friends in the service from there, who I could never make contact with, but your Bulletin has now made it possible.

You probably wonder how I like life in the service - I like it very much and may make a career of it, that is, after I help "Sink the Setting Sun".

I'll be looking forward to the next edition.

We thank you for the nice letters we have received and which we have thoroughly enjoyed. We wish more of you would write so that we could publish your letters, which we know will be of interest to all the boys in the service.

BE SURE TO INFORM US PROMPELY OF ANY CHANGE IN YOUR ADDRESS.

Joseph C. Grew, former ambassador to Japan, quotes this from a diary of an American Soldier as a good motto for every American:

"I will work; I will save; I will sacrifice; I will endure; I will fight cheerfully and do my utmost; as if the whole struggle depended on me alone."
