"ODDS-N-ENDS"

Miss Mildred Eaker, daughter of Mr. & Mrs. Summie Eaker, has been accepted in the Marines - She was sworn in at Atlanta, Georgia on April 24th, and is now awaiting her call to active service. Mildred is a swell girl, and we are going to miss her terribly. She is Mr. Geo. Hart's stenographer, and has been most efficient and pleasant to work with. Mildred has been a valuable asset to the Hoover Rail, working long hours in helping to get out each issue - All the Hoover Rail Gang, especially, are going to miss her a great deal, but we offer her "GOOD LUCK and BEST WISHES" and hope she'll soon be back to see us - we know she'll make an attractive addition to the Marines.

Mrs. Laxton Mauney has returned to her home, and is now recuperating nicely from a Major operation, she recently underwent at the Shelby Hospital. Mrs. Mauney, as all you boys know, has been one of the "Regular Columnists" of the Hoover Rail, since its first issue and we feel sure that each of you will wish to join us, in wishing her a speedy and complete recovery. Her article, this month, is especially good, we think, and she didn't let such a little thing, as a major operation, interfere with her getting out her column. She's a real "TROUPER."

Miss Mildred Miller of Lawndale and Mr. J. W. Brackett of Belwood were married on April 23rd by Rev. J.W. Suttle, at his home in Shelby. Mildred is one of "Us Girls" who work in the QMPCO. office and a very popular and pretty young lady. We extend our best wishes to "Til and J.W." for a long and happy life. (We'll let you boys in on a secret, but don't tell her we told you. - that J.W. stands for Julius Washington - quite a "Handsome Monicker", dontcha' think)
