

MOTHER OF THE MONTH

Dear Boys:

We are all very thankful for the editors of the "Hoover Rail" and proud to have this opportunity of saying Hello to all the home boys in the armed forces. As mother of the month, I'm not very much to write, but, as you all know, a very big talker.

We mothers all miss you boys at home, but neverthe less we're trusting God to take care of you in your fight for freedom and give you a quick and safe return back home. The Popularity Contest this month will probably be a thrill to all you boys, who are away, when you see some of the nice looking girls' pictures in Lawn-dale, but be careful, boys, and vote for your best girl and don't pick on mine for I've always been pretty tough when my "gal" started courting, but now I don't worry much for there's no courting goin on now with the single girls since you boys have left, but they're behaving very well and always smile when they get a letter from a soldier boy.

There's no news that I can think of this month from the home front, but we are all working hard during the day and attending preaching at night, with Evangelist Samuel E. Simms from Hickory conducting the services and it's been a great success so far.

Well, boys, as I have already said, I'm not much to write so for this time I'll say 'Bye to you all, and may God bless and keep you and bring you safely home is our prayer.
