

# HOME ON FURLOUGH

Gene Wallace G/M 3/c of the Navy spent a 15-day leave this past month with his parents, Mr. and Mrs. Charlie Wallace. Gene has made several trips across the Atlantic and told us many interesting things he has seen and done in London and other places. Gene has now rejoined the fleet.

Cpl. Andy Pritchard spent a recent week-end with his folks, Mr. and Mrs. Charlie Pritchard. We saw Andy and his guest, a soldier buddy out at Sunday School - Andy is always at Sunday School on his week ends at home and everyone is always glad to have him there. Andy is with the Army hospital at Swannonoa, North Carolina.

Pvt. Leonard Wallace, has returned to Walla Walla, Washington after spending a 15-day furlough with his parents, Mr. and Mrs. Cliff Wallace and his wife the former Miss Thelma Southard. Leonard said he had lost 30 pounds since being in the Army, but he still looked awfully well - and was Mr. Wallace happy over having Leonard home, well, you should have seen the broad smile he was wearing and Leonard says the home-folks really fed him royally, nothing less than loads of fried chicken and country ham. (Just writing about it, has me drooling at the mouth.)

Paul McMurray S/2/c spent a 10-day leave this past month with his parents, Mr. and Mrs. Ernest McMurray and with his wife - Upon his return to his base in Rhode Island, Paul expected to be shipped overseas immediately - And speaking of happy folks his attractive little wife, Sedalia, was just walking on air. I hear she practically came down all the steps at one time, when he unexpectedly arrived home.

Junior Wright of the Marines recently spent a 10-day leave with his mother, Mrs. Lucy Wright and his wife. He has now returned to his base at New River, N. C.

S/Sgt. "Shuf" Ramseur is spending a 12-day furlough with his parents, Mr. and Mrs. M. S. Ramseur and his wife, the former Miss Dot Blanton. "Shuf" has just completed a technical course in the radio school at Lawton, Okla. and upon the expiration of his furlough will report to Camp Rucker, Ala. The writer had the pleasure of a visit from "Shuf" and Dot and t'was really enjoyable, "Shuf" can tell about so many, many interesting things, having at one time been stationed in Puerto Rico and Bermuda for almost two years.
