

or perhaps we had better make her a present of a box of handkerchiefs or Kleenex, if we can find any.

One reunion that we didn't get to see, but heard all about, was that of Frances Cordell and Morgan Lee Ivester ("Skeet" to us). "Skeet" got a medical discharge from the Navy this month and is at home again. We're glad to have him back, not to mention the joy that his coming home meant to Frances.

Mr. Hart received George, Jr.'s new address last week. He is probably on the other side of the pond by now. We sure did hate to hear that because we never did get to see George in uniform. His girl from York spent a few days in Lawndale not long ago, and honestly one look at her and you would tear down your pin-up pictures of Betty Grable. She's a knockout!

We know a lot of news this month but we're awfully sorry that it is the kind that never gets printed. It'll keep though for the duration

Holt McPherson Honored by Lions Club of Shelby

The Hoover Rail Staff wish to take this method of congratulating Mr. McPherson on the Citizenship Cup, which was awarded him in June.

This coveted Citizenship trophy is awarded for the most outstanding and unselfish contributions to the community during the past year. The award is based on a decision of the Presidents of the Rotary, Kiwanis and Lions Clubs.

In our pleasant association with "Mr. Mc", we have ever found him to be most cooperative, encouraging and always interested in lending a helping hand to his fellow-man. Lawndale, speaking as "close-kin" of Shelby, offers the Man-of-the-Year our heartiest congratulations.

Lawndale Post-office Gets New Rating

So you notice boys, that you all arn't the only ones who get new and higher ratings - our post-office has also been raised in rank. We are proud of its new rating, we now have a second-class post-office. This new rating means new hours, from 8 to 6 each day except Saturday with hours from 8 to 2 - No general delivery on Sundays or holidays - it also means an additional worker and the new worker is an old friend of yours, Jim Lattimore - and last but not least, just as higher ratings mean more money to you, so does it also to the post-office person. Congratulations, Mr. Putnam and fellow workers.
