Front Page

Know you fellers like the front page picture this month, yeah, yeah, who wouldn't- Some of you have asked for "pin-up" pictures, now you've got a whole flock of them. They're surely pretty girls and not only pretty and easy to look at, but they are real basket ball players - Most of them are first year players, but they're learning fast and walking away with lots of games this season. They won at the Valdese Tournament last week (Feb. 14th) and the boys team did too - They play at Valdese again this next Wednesday, so keep your fingers crossed for them. Mrs. Jack Hoyle and Mrs. Bob Burns are the coaches, sorry Mrs. Burns failed to get in the picture, she's mighty, interested in these girls.

Off to the WACS

Miss Ethel Morrison, daughter of Mr. and Mrs. Cullen Morrison has recently joined the Womens Auxilary Corps. She reported for active duty on February 8th and is now receiving her basic training at Fort Des Moines, Iowa. Ethel joined the branch of WAC Medical Technicians and we all know that she is going to make a fine Technician. Ethel was quite enthusiastic over joining and said she only wished more girls would see the need for Medical Technicians and do as she has done. The Hoover Rail Staff has had one card from Ethel since arriving at Ft. Des Moines, said she's liking it fine, that her arms are a little sore from shots, but aside from that she's fine. The good wishes of your many friends shall follow you in your army career Ethel and we shall always be glad to hear from you.
