

# NEWS FROM THE FRONT

Dear Jim:

Thought I would write to let you know I received my copy of the Hoover Rail. I'm always glad to get it as I enjoy reading every word about whats taking place back at home and in good old N. C. where we all hope to come back to.

I also noticed in the paper that a good many of the boys I used to work with are over here pretty close to me and in Belgium, but I haven't seen any of them.

I was very sorry to hear the sad news about some of our boys, but if we'll just have faith in God, He will take care of us.

I'll say thanks for the Hoover Rail. Keep the good work going.

Dear Hoover Rail:

I just received the February issue of the Hoover Rail. Boy! I sure was glad to get it but I am sorry to learn about some of our boys having given their lives for our country.

We all know the boys were doing a wonderful job, and the boys who are left will carry on the job we came over here to do, and some wonderful day, if it is God's blessed will, this awful war will come to an end, we will have peace and freedom, and will pray each day and night that one of these days soon all us boys can be back at home with our loved ones, and back on our old jobs, enjoying the good things of life.

I have heard of some of the boys being over here in Germany but I haven't seen any of them, but I still hope to run up on some of them any day. Everything is looking pretty good here, but for my part and all the boys as well, give us good old N. C., and a doff box for me.

I'll say thanks for the Hoover Rail. Keep the paper going.
