Souvenirs For Display

In the December issue, it was suggested to you boys, by Jim Osborne that you send home, souvenirs to be put on display in some prominent place in Lawndale. Today, we are in receipt of a German Flag - sent for that purpose by Pfc. Charley Champion Jr. - he is somewhere in Germany with the 7th Army. It is a souvenir that will create a lot of interest at home, and along with others, some Japanese Rifles, money from various nations, etc, we are off to a nice start for a hometown display of foreign souvenirs. We shall take good care of each and every article, you boys send us for display purposes and they will be returned to you or your family at such time as you request or at the end of the war.

Thanks to all of you, who are sending in these interesting souvenirs and believe you me, the home folks are going to get a big kick out of this display.

Keep 'em coming in, fellers!!!!!!!

!!: "And in Passing, May We Tell You About"---

Mrs. Jesslyn Bridges recent correspondence with her husband, Pfc. Ivo Bridges, who is in New Guinea. It seems "Ikey" wrote her, that he had looked high and low for a birthday gift for her, but that such things were scarcer than the proverbial hen's teeth in New Guinea and that he was terribly sorry etc, ad infinitum. Then Jesslyn writes him, thusly, "Dearest Ivo, It really doesn't matter about you sending me a birthday gift at all, I don't mind in the least, I understand perfectly just what the conditions are out there. Honey, the only thing I care about is to have you write me of-
teh, every day if it is at all possible - that will be all the birthday present I care about - just to hear from you often is all I could ask.

Love always & all ways --- Your, Jesslyn

P. S. Ikey, my sweet, I have a darling "Spring Outfit" laid away - you can pay for that and call it my birthday present.--- Bye, now.
