

their membership. The financial goal of the "Crusade" has not been hard to reach. Now, we're hoping the people will show much interest in the growth of Gods kingdom thru their prayers and their presence at all the services.

Perhaps you from the Bethel and Palmtree localities would like a word about your folk. You know they have always responded in a fine way to the many phases of work which they are asked to help carry on. This time they have answered the call just as readily, and will continue to do so, I know. They, too, will benefit by the training classes as planned by the pastors.

The Sunday School attendance here in the village continues on the upward swing but there's still plenty of room for improvement. Our most recent lessons have been on the subjects: "Jesus teaching Forgiveness" and "The Cost of Dicipleship". It requires much faith, many sacrifices, and much courage to measure up to Jesus' teachings of both. However, thru His love and by our love for Him and our fellowmen, we may obtain much joy from both.

A Thought For The Day

"The battles may be many and hard, but VICTORY is cheap at any price, for defeat is intolerable."

Our best wishes and prayers are yours.
