When grandma had callers, they sat with
timid heart;
And when they sat together, they
satthis far apart.
When daughter's soldier boy friend calls,
He greets her with a kiss;
And when they sit together,
They sit close together like this.

You've got a date, the kind that's heavy,
With loads of dough, a brand new Chevvy.
Your shoes are shined, your skirt is pressed,
Good Conduct Ribbon on your chest.
Your hair is combed, Up, you've slicked it;
So what happens then - You're restricted.
