

## AND STILL ANOTHER COMMENDATION -

From Mr. T. M. New came the following message: "Both Mother and Dad have asked me to write and thank you for the very courteous and efficient way they were treated on their first flight. Believe me, they are truly grateful."

HAPPY BIRTHDAY to me! I'm one year old today. If you keep feeding me the same sort of diet to which I am now accustomed, plus a few supplemental items and ideas, I expect to grow between my first and second birthday. It was nice of so many of you to supply me with such a feast for this particular 1st anniversary issue. My thanks for your sturdy support! And a Happy, Happy Easter to each of you!
