## INT MECHANICS FLY TO DCA FOR ARMED FORCES DAY

Saturday, May 19th, Armed Forces Day, members of the Maintenance Department chartered Aircraft 42-V and attended the air display at Bolling Field in DCA.

The party departed INT at 0600 and on arrival at DCA stepped into waiting limousines, and promptly were driven to Bolling Field.

Many impressive ground displays were enjoyed, including all types of military aircraft and equipment. In the afternoon the air show was thrilling, featuring a flight of B-47s and the crack navy aerobatic and precision flying team "The Blue Angels."

With all twenty-four members present, they returned to INT, tired, sun burned and quite satisfied that they had seen the finest air display in the world.

Many thanks go to those who worked to make the event possible; "Shorty" Roy, who spark plugged the arrangements, the flight crew, Captain Gibson, First Officer Hawkins and Flight Attendant Archer, the station personnel at DCA for arranging the ground travel service and many others.

The group was comprised of all INT-M personnel except Mrs. Bob Saunders, Mrs. Fred Hoffman, wives of INT-M employees, and Cecil Stewart, INT-A.

## WELCOME

Piedmont would like to welcome F. C. Livengood, Airline Stockroom and Miss Gwendolyn Miller, communications agent, INT.

When uranium prospectors armed with Geiger counters first began invading his region, a mystified Kentucky old-timer confided to a visitor: "I don't know what this is all about. Fust thing I knew was when some feller came on the place with a Goober counter and said he was huntin' for geraniums."
