

LOS ANGELES DODGERS FLY PIEDMONT — Walt Alston, Manager of the Los Angeles Dodgers, flew into LYH on PAI recently. Here he is chatting with agent Larry Fuda before leaving to address a local sports club.

"I SAID THIS WAY" — Abe Lawrence, whose agent father John is stationed at BLF, seems to be helping out as a signal man. From his expression it appears that the Captain is paying no attention and is headed straight for a snow bank.
